A Letter From The Editor

Each year, Yearbook Club works to produce a book that is the best representation of the students at MHS. The best part about being in this club is capturing the memories and important moments we see students experience every day. As photographers, we see hard working students who are accomplishing their goals and celebrating their successes. As designers, we take those pictures and try to tell the story and preserve every moment. People often say that high school is the best time of our lives. As you make lifelong memories, build relationships with your peers, and pave the way for the future we try to capture this important period that you will remember all throughout your life. Our time here at MHS is meant to prepare us for the future. While we are making plans for college, careers, and the rest of our lives it is important that we remember how we got to the place we are today. Whether it was a favorite teacher, a best friend, or a subject you excelled in that made the time here memorable, this book was made to keep those memories. Time is always moving, and while it is important to remember the years at MHS, we have to move on and start the future. This book is designed so that every member of the MHS family will be able to look back at their time here and remember all the wonderful experiences they had even as they are moving on to a new chapter in their life.

To the class of 2014, congratulations! Hopefully you leave MHS with wonderful memories, friendships that will last a lifetime, and a preparedness for the future, wherever that may take you. We wish you the best of luck in everything you do. Remember it all because "Time Flies".

Reality Fair

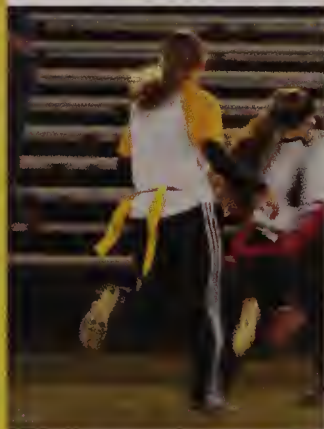

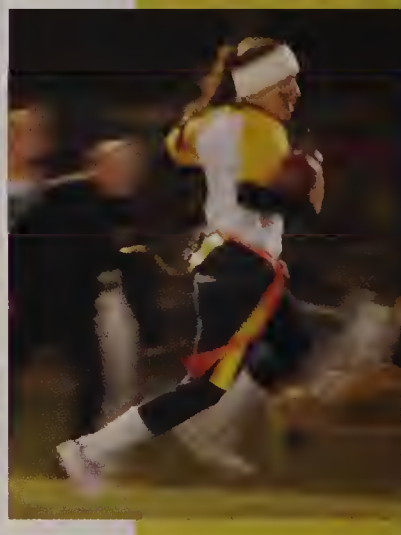

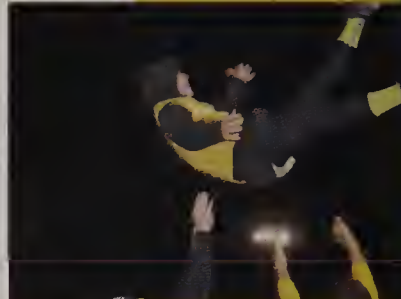

The Reality Fair is a joint service project of the Marlborough Rotary Club and the Marlborough High School chapter of Business Professionals of America. The Reality Fair presents a financial learning experience to students in an interactive and fun game format. Each year, more than 30 volunteers from local businesses and organizations participate in this intensive game to teach teens the importance of budgeting a paycheck. The fair presents the students with real business practitioners playing themselves as bankers, auto dealers, insurance agents, grocery store managers, and financial counselors. The Reality Fair is held for the senior class each fall to give them a taste of financial reality as they begin to prepare for their post-high school lives.

A Message From Your President

To the Class of 2014:

The time has finally come for us to say our final goodbyes. After five years of rallies, dances, Friday night football games, and spirit weeks, it is our turn to walk out the front doors of MHS for the last time. We leave as official graduates with hard earned diplomas and the endless memories we have created together. We have cheered in the stands for the last time during field day as the class in white. We have played our final games as MHS athletes and left our orange and black uniforms behind. But one thing will never end. We will forever be the Marlborough High School class of 2014, forever panthers at heart. As you move on with life, take every chance you can get and never give up. We have only begun the long journey that waits for us beyond high school. Thank you for having me as your president and I truly hope you get everything you want out of life. We are a great class composed of amazing people and every one of you deserves the best. Good luck class of 2014, we finally did it!

SENIOR SEMI

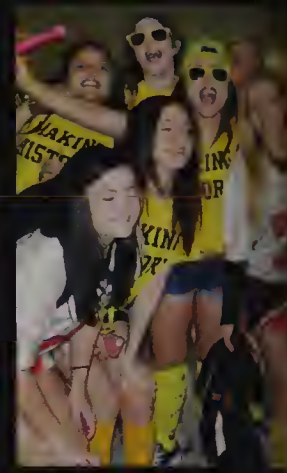

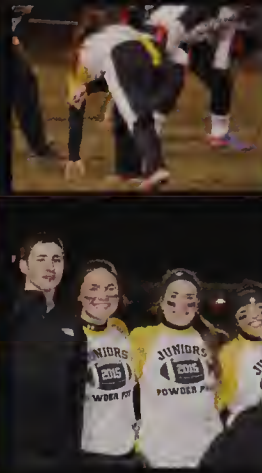

CLASS OF 2014

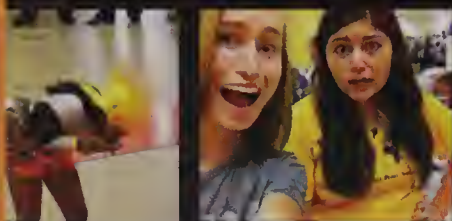

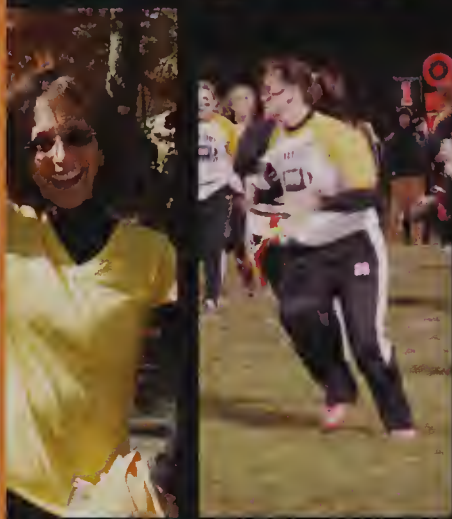

Senior Will

I, **Jameson Flynn**, leave my tiredness to Jake Grella, my boots to Eric Bastarache, and my family name to Jesse Flynn. I, **Robbie McCabe**, dedicate this to my sister Meaghan McCabe and any future family member that goes to MHS. I, **Shannon Barlow**, leave slacking off in track and annoying Coach Marieni to Mikayla Moynahan and Katie Godere. I, **Cassidy Grace**, leave my shenanigans at track to Princess Falco and bringing my zebra blanket and pillow to every track meet to the 2014 track team. I, **Sean White**, leave my obscene amount of passes to Valerie Smith and my skill of avoiding the hall monitor to Gina Minnucci and I also leave Student Council Donna our mascot. I, **Helen Shanahan**, leave my field hockey jersey to Ciara, my backseat bus spot to Amy, my harsh ways to Tori Petrie, "for the lads" to Maddy, and my brother to Sam Vaccaro. I, **Maggie Vaccaro**, leave my field hockey devotion and backseat bus ride spot to Samantha Vaccaro. I, **Paige Shepard**, leave the tech crew lights to Danko Sotelo, the forks I do not give to Kerri Leonard, and my sound to my tuba buddy Kim Baker. I, **Tiara Lynn Titus**, give all of my cheerleader captain responsibilities to Val Smith in hopes that she will carry on and add to our crazy traditions. I, **Jillian Goellner**, leave Ryan Goellner 3 years of being the only Goellner at MHS, Lauren Fay the game of responsible adult in A Cappella, and Victoria Petrie the title, "Queen of Sass". I, **Kelsey Azar**, leave the ability to design the year book cover to a talented artist. Good luck :) I, **Colleen Anderson**, leave memories and traditions behind to underclassmen friends. To Tony Maenhout, I leave all 3 HSM DVDs, my cassette adaptor, and good luck texts for every future soccer game. To Jeff Driscoll, I leave his butt. To Connor Bailey, I leave my car, Rosa. To Alay Patel, I leave all of my BPA power. To Malik Gilyard, I leave popcorn seeds and butter salt. And last, but not least, to Mikayla Moynahan, I leave my racing flats and flannels. I, **Carli Sherman**, leave my lunch table to my awesome

little sister Alisa. I, **Zachary Noel**, would like to leave my drama club make-up tasks to Isabella Lopez. I, **Alex Aquila**, leave Shawheen Fagan, Connor Bailey, and Sarah Hanahan the rights to the music association. I, **Ryan King**, leave my seductive, charming gingeriness to Jake Monfalcone. I, **Julia Huezo**, leave all of my cuteness to Jazmin Murillo. I, **Annika Lambert**, leave to my sisters, Jenna and Katrina, the duty to maintain my perpetual late streak. Although I know it's unlikely, if they are ever late for school they can blame it on me. I, **Jessica Silva**, leave the plastics reign to Emma Faddoul and my after school Chipotle runs to Joey Cappadona and Owen Cappadona. I, **Colleen Condry**, leave Rachel McCormack my beloved soccer uniform to represent girls soccer while wearing number three. I, **Alana Paul**, leave my hair curling abilities to Lauren Fay and Emily McIntyre. I, **Alfred Tachado**, leave all my unused potential, my awkward humor, and my get-along with everyone charisma to my little brother, Souvenir Tachado. I, **Justine Butler**, leave Shauna Butler the knowledge that Africa is indeed larger than Texas. I, **Julie O'Coin**, leave morning talks with Mrs. Conyca to her incoming freshman home room. I, **Rebekah Jenkins**, leave the powerhouse group to Alexis Barille and Brittany Shaughnessy. I, **Kelsey Hanahan**, leave my crown and sashes to Sarah Hanahan because I know she will wear them anyways. I, **Rachel Dass**, leave all clarinet jazz playing to Jessica Vilensky and designate AP Latin shenanigans to Lauren Fay. I, **Ariel Rose**, leave Stephanie Carrasquillo the camera and my support to be a great photographer. I, **Chelsey Trombetta**, leave my superior scooping abilities to Alex Trombetta. I, **Keishla Carrasquillo**, would like to leave some advice. The only thing you need to take serious is your classes. High school is a place to experience pretty much everything. When it comes down to it, the only important thing is graduating, and the gossip between classes will not help you get there. Don't get caught up in the hype. Haters are going to hate because they see you trying to do something for yourself. Most importantly, don't change for anyone, stay true to who you are.

A Message From Your Officers

Through the past four years of our high school career, the class of 2015 has learned how to unite as one whether it be from all the rallies to even just hall decorating. Together we have made many memories and still have many more to make before we graduate. During the school year our class has shown that we do have class spirit and can convey it through a respectful manner. This can be said after our efforts at the annual PowderPuff game against the seniors in which we won in a thrilling and nail-biting "overtime". The officers are so proud and honored to represent this class and hope that we can keep up the morale for our senior year!

Sophomores

As officers, we want to thank you guys for a great sophomore year. We've gone through so much together as a class and reflecting on our year blows us away. And guys... WE ALMOST GOT SPIRIT STICK! Field day surpassed all our expectations, and it got us off to a great start.

After a lot of hard work we hope everyone had an amazing time at semi, too. It was a great event for all of us to dress up and come together as a class and just have fun!

Another major success this year was the MHS Walk for Hunger. Stepping out (literally) to help the community goes so far beyond high school, and it is our hope that your positive impact will show you that you are never too small to make a difference.

We had such a fantastic year this year, and we can't wait to see what junior year brings. Now becoming upperclassmen, we have a lot of exciting events to look forward to like spirit week, powderpuff and prom! We hope you are all excited as we are.

Let's make our junior year memorable! - Your Officer Team

Freshmen

What's up Class of 2017? These are your officers here. What a year it's been! This year, freshmen have been getting into drama, music, art, sports, and many clubs! We did a great job showing our class pride on Spirit Day. The start of our high school Career has been promising. We hope everyone continues to strive and achieve during the rest of our years at MHS!

Art Club

Art Club is meant to provide all interested and qualified students with an after school art experience. It gives students, especially those who aren't enrolled in a formal art class, the chance to create and work with classroom materials and engage with peers who hold a similar interest. Art Club participates in annual community service projects on varying scales and often combines with the efforts of the National Art Honor Society to complete this work.

Fashion Club

The Fashion Club is a club that gathers students who have an immense love of fashion to share ideas and to learn more about what goes on in the fashion industry, career opportunities and various perspectives in fashion. Students will become involved in the planning of activities throughout the year including, but not limited to, having meetings, electing officers, creating bulletin boards, inviting guest speakers from the community and other events that will follow the interest of the members.

This season has probably been the toughest we have ever had. We've had a rocky beginning but eventually We became more than a bunch of girls cheering together, we became a team, we became sisters. As we all put our problems to the side and focused on what was really important we managed to achieve our goals.

We've worked so hard throughout the season. with a very difficult yet amazing routine We successfully became league champs, 2nd in our region and made it to the state competition. the program is becoming stronger and stronger each year and with all the hard work and dedication that this team has put in it made our team mentally and physically stronger. not only did we gain confidence together but we also gained an amazing group of girls willing to do anything for each other.

The 2013 Boys Cross Country team started full of promise. Several members of the team including Senior Captain Robbie McCabe, Junior Captain Austin Turner, Spencer Geary, and Evan Dundon along with Coach Downin and Coach Vigeant attended the Berkshire Running Camp, coming into the season in great shape. The season started off with the always fun Lion's Club Bed Races, where good times were had by all and a new record was set by four members of a bed race team. McCabe and Turner throughout, the entire season were the 1-2 runners for the team and made gigantic improvements and had fantastic seasons. The first team overnight stay occurred on October 27th-28th with the Manchester XC Invitational at Derryfield Park, in Manchester, NH. Despite the challenging 5k course, many personal records for most team members were set and the success of the trip has led to a possible tradition for future XC teams to come. The Ghiloni Cup on 10/04 was a hard fought effort but the boys unfortunately were not able to hoist the Cup this year, as the boys from AMSA won the meet. The traditional Wachusett Invitational occurred on October 12th with the only bad weather on race day and the exciting Twilight meet occurred on October 19th. The flat course at the Barnstable Fairgrounds in Barnstable, MA made for a memorable experience as every race was under the lights and PR's were set by every boys' team member. Despite the team's 0-5 record during, the regular season the team made up ground in the League Meet by finishing in 3rd place for one of Coach Downin's highest places in the League Meet. In the District Meet the boys came in 11th place with 311 points, giving Coach Downin his second best team showing ever at Districts. The McCabe- Turner Duo brought Coach the closest 1-2 finish he has ever had. Graduating only Robbie McCabe and Zac Rissoti, the boys look to have a promising future with underclassmen like Logan Cochran, Jeremy Barnes, Spencer and Mason Geary, Zach Schwartz, Evan Dundon and upperclassmen like Austin Turner, Peter Dipersio, Mark Tawadrous, Chris Allen, David Coughlin, Aydin Terzioglu. The 0-5 record does not accurately reflect how good this 2013 team was and how they grew over the season.

This year, the Girls Cross Country team expected to have a rebuilding year with such a young team but had an amazing season. The team was fortunate enough to participate in the Manchester and Quabbin Invitationals and the Twilight Meet as well as their regular dual meets. Returning runners Jillian Caiazzi & Lauren Fay led the team this year as captains. Jillian met her goal of breaking 20 minutes on the home course, running a personal best of 19:30 and qualified for the State Championship. Lauren had an all time PR this season of 26:47. Gina Minnucci came back to the team this year after taking a year off and had a great return. Junior Ruth Schade was a new member this year and was the team's #3 runner. Sophomores Emily Dickson and Anna Read ran excellent races all season and greatly improved their PR's. Meaghan McCabe ran the team's #4 spot in every race. Elizabeth Smith was the hardest worker on the team. She never missed a single practice and improved tremendously. Erin Guigno had an incredible season and qualified for States as a freshman which is a HUGE achievement. This season was an amazing one and the girls were closer than ever. The team is looking forward to next year.

Marlborough Field Hockey 2013 had a very successful season and we couldn't be more proud. All members of the team worked hard both during the season and their off season to end with a successful record of 10-8-1, becoming the first field hockey team in four years to qualify for districts. Although losing in the first round of districts to Algonquin, this team has demonstrated remarkable leadership qualities and work ethics. Highlights of the year include a win against the number one team in the league, Nashoba, beating our rivals, Hudson, twice, the annual pumpkin carving contest at coach Ryder's pasta dinner in which the seniors claimed victory once again, and of course the memories and team bonding we will remember for a lifetime. In the process of making a successful team, we weren't just teammates, we were a family. Thank you to our coaches, Coach Ryder, Coach Durant, and Coach Markey, for all your help and guidance this year and leading us to districts. Seniors and underclassmen, it's been a great year and we couldn't thank you enough.

The 2013 Marlborough Panther football team performed exceptionally well. The Panthers shocked competitors starting out undefeated throughout their first 6 games. Lead by captains John Rumney, Ryan King, and Willy Cowdrey, Marlborough football soared into the playoffs. The Panthers won their first playoff game against Fitchburg, but their run was shortened due to a loss to a tough St. John's team. Although the chance of a state championship was stopped, Marlborough looked forward to their rival, Hudson.

The game meant more than the usual Thanksgiving tradition. The win over Hudson (14-8) completed the Panthers quest to become League Champions. Marlborough finished the season with 8 wins and 3 losses staying undefeated at home and also were crowned League Champions.

MHS Golf had another great season. The squad went 7-9, missing out on a spot in the District match by one point. The season was punctuated by a second place overall finish in the league match, with junior Jason Short taking match medalist honors by five shots. The high points of the season came in big wins against Groton, Nashoba, and Quabbin, as well as beating Hudson twice. The theme of the season was to contribute, as we won many matches because of our depth. Sophomores Jonny Leatham and Michael Sullivan came up big in key situations. Freshmen Chris Povall and Paul Wydom were big contributors, as well as seniors Charlie Brooks, Kyle Hurley, and Sam Voss. One thing is for sure, the future of MHS Golf is bright.

The boys varsity soccer team faced adversity this year. The inexperience due to a surplus of underclassmen made it a growing year. Even through the struggles our coaches did an excellent job keeping us on track. My career at Marlborough High was not what I expected, the memories that I've created are second to none. The countless laughs at practice and the countless jokes and pranks in the locker room. I've learned a lot this senior year, and the biggest a lesson I've learned is that

The Marlboro girls varsity soccer team was rebuilding after losing thirteen seniors last year. Being a new team with many young players we played with a lot of heart and determination. Many were taken by surprise when we made it to the post season with a record of 6-6-6. With the help of returning players and the skill and talent of the newest additions the fans were always kept on their toes. We were brought together as a family with our pasta dinners, apple picking, homemade fortunes, tiki tiki, haunted houses, Halloween witches* and the powerful lyrics sang by Mariah Carey in Always Be My Baby. We had some extra inspiration from the boys team thanks to coach Bishop and captain Marcelo Cunha.

To the players returning next year, We wish you the best of luck at making it to states* and it was a pleasure playing with you. Playing with your feet is one thing, playing with your heart is another. Framingham State University on three. Ooh kill 'em.

Colleen and Justine

After being named Division 2 State Champions in 2011, girl's volleyball had worked diligently this past season in attempts to live up to their former title. Although, not coming out on top, our team had achieved major accomplishments. Ending the season by making it to the second round of playoffs, we battled our last match as a team against the number one seeded team in the division, Canton. Even though the loss sent numerous of us home in tears, we can't help but look back upon the incredible season we played as a team. As the season first began, we ended October with a 7-2 record and totaled an 11-7 record as the regular season came to an end. Win or lose, we held our heads high and began to prepare for our next match. Our teams' diligent work ethic and constant perseverance lead us to victories such as the 3-2 win over North Middlesex and the unforgettable unexpected 3-2 win against Hopkinton. After an amazing season playing with these wonderful ladies I can't help but thank them all for an amazing season. Many of which once were strangers now hold a special place in my heart and leave me with memories I will never forget. From harassing "Bunya" day in and out at practice, to that time you all threw me into the pool, to singing countless songs about Taynara, to the endless twerk sessions we had at practices. These memories we share as a team will never be forgotten. So here's to an amazing season ladies! Ohhhhh.....KILL EMMM!

Much love,

Led by senior captain Olivia Sullivan, the MHS gymnastics team surpassed struggles with more ease than expected. This year half our team was composed of new gymnasts and new coaches, Samantha Kelly and Amanda Fredrickson. The upcoming season's expectations were unclear but as a whole, our team improved greatly. Practices were challenging, but we always kept our spirits high. You all have made me so proud this season with such hard work and dedication. My last season would not have been the same without all you crazy ladies. Always remember, go hard, go fast, and go into it with ALL you have, because in gymnastics there are no second chances. So before I start to cry...AGAIN...stay sassy and stay fierce...don't forget: A.U.T.O. ;) xoxo Liv

The basketball team had a tough season dealing with a lot of adversity. Despite our record it was a successful season. It was an adjustment at first dealing with a young team and having a new coaching staff, but the team made improvements everyday. We made a significant improvement from last season. The team was led by the three captains Matt Thall, Joe Cappadona, and Jose De La Cruz. With our first win against our rivals, Hudson, our season began to pick up. Our game against Algonquin was the most memorable game of the season, in the last 14 seconds of the game Algonquin got a layup to beat us, when it came down to 1.5 seconds left, Jose De La Cruz scored a winning layup that ended the game in a score of 46-45. This year only having 3 returning players and only 1 senior, we had to have a lot of young kids step up like Brian Short made a huge contribution to our team this year. Shout out to our all our fans, like Jess Silva and Katrina Kasaras who tried to make it to all of our games, AYYE.

This year, the Marlboro High Girls Basketball team had a rebuilding year. Losing four seniors, two of whom started, we struggled at first to get the flow of the game we liked to play at. However once we did, we played very well. Even against the hardest teams, we never stopped trying and we gave an abundance of effort every time we stepped onto the court, in games and at practices. We finished the season 4-16, beating Hudson, twice, and beating Assabet on our (and their) senior night!

We started as friends and grew into a family. We'll never forget all the locker room dance parties, say something, sweating like Molly, orange bringing out our eyes, Kerri Leo Morris, acapella sing-a-longs, never ending slides, and last but not least, Mr. Kiley's flat top.

Together on three...

The MHS Dance team competed at the 2013-2014 State Dance Championships and placed fourth in the hip hop division with a bid to compete at the New England's Dance Championship in Bellow Falls, Vermont. The competition was tough and teams from all over New England really showed their best! MHS placed 6th in Hip Hop and 11th overall. Besides the team's excellent dancing this season, the group also maintained their reputation for being an uplifting group that has excellent sportsmanship. Lead by seniors Zach Noel, Phu Duong and Emily Perez, the Panthers showed their support for all teams competing and were thanked for their enthusiasm and encouraging cheers for the other teams. This has been the most positive, encouraging and family-like team that Coach Morin has supervised since coming to Marlborough 7 years ago. Coach Morin and Estes could not have been more proud!

This was a very successful year for the Varsity girls' hockey team. We ended this season with a 12-5-4 record, compared to last year's record of 6-12-2. We have proved many people wrong by earning our spot into playoffs. We have overcome many challenges this season. Nicole Coulombe and Abby Chrisafidies have really stepped up this year by doubling the amount of points they earned last season. Julia Valianti made a very big transition to offense and work as hard she could there. Jayna Dixon scored her first varsity goal on her senior night, which was a very big accomplishment for her. Sarah Hanahan made varsity this year as well and did work on G-line. This season, many people doubted us but we did our work and proved them wrong. Julia and Jayna will be greatly missed but we wish them the best of luck in college. Once a T-hawk, always a T-Hawk. #BLUELINE #709 #LOVEYOUJAYNA #ROADTOTHEGARDEN #USA

Any time any team is able to go undefeated and win a championship, the words perfection and champion get used a lot. The 2013-2014 Boys Indoor Track team was perfect and for the first time in 5 years went undefeated in the Mid-Wach B league and had to beat some tough competition to reach perfection. We beat Westborough narrowly 50-41, yet when it came time for the League Championship we beat them 138-99. Many Seniors were on this team and remembered what it felt like was to win the last league championship and can now say they are going to ride out on top. This team was covered in every event from shot-put to the 2 mile. In the 2 mile we had Senior Captain Robbie McCabe lead the way as the lone 2 miler for the team. In the high jump we had Senior top scorer for the team Jose Caquias, Senior Captain Alec Deveau, and Sophomore Sam Dias. Jose, Alec, Sophomore Mackenzie Sylvester, and Senior Kevin Prewitt broke the 4x 200 meter indoor record with a 1:35.04. In the shot-put we had Javon Scarlett, Keon Fagan and David Dorsey among others. In the 1 mile we had Austin Turner, Spencer Geary, Evan Dundon and Zach Schwartz. Turner, McCabe, and Dirk Bellido rounded up the top 1000 meters runner. Caquias, Dias, Jeff Schmidt, and Senior Captains Greg Konar and Max Stoller were our top 55 meter runners. Greg Konar along with David Dorsey ran the 55 meters. Alec Deveau, Jon Burke covered the 600 meters. In the 300 we had Mackenzie Sylvester, Steve Oram and Matt Whitmore. Our 4X400 consisted of Deveau, Burke, Whitmore and Oram. This team will be graduating a lot of talented seniors but with promising underclassmen leading the way next year, anything's possible.

After an exciting season, the ladies' indoor track team finished the regular season with a record of 3-1-1 and finished 3rd in the Mid Wach B League Championship meet. Many of both the new and veteran runners stepped up this year in both the track events and the field events for an impressive season. Lead by captains Cassidy Grace and Jillian Caiazzzi, the team had four league all-stars: senior Cassidy Grace in the 55m hurdles, junior Jillian Caiazzzi in the one mile, sophomore Maddy Plante in the high jump and freshman Erin Giugno in the 600m. We would like to thank and congratulate the underclassmen for stepping up and on a great beginning to their track and field careers. Also, we would like to thank and say goodbye to our varsity seniors, Cassidy Grace, Annika Lambert, Erin Coughlin, Shannon Barlow, and Colleen Anderson. The Lady Panthers sent an impressive amount of athletes to the Division 3 State Championship meet. Representing MHS was Cassidy Grace (5th place) and Kim Konar in the 55m hurdles, Maddy Plante (8th place) in the high jump, Jillian Caiazzzi, Erin Giugno (8th place), and Casey Sibole in the 600m. Additionally, the 4x400m team of Erin Giugno, Casey Sibole, Ilianna Weeks and Jillian Caiazzzi came in 4th. We would like to wish next year's team the best of luck and know that they will continue the success of the Marlborough High School Girl's Indoor Track and Field team.

Wrestling had an outstanding season ending with a record of 17-8. Senior Captains Chris Keenan, Walter Ordonez and Jorge Lopez pushed the team with highlight wins to Hudson, Quabbin, and Algonquin. Not only did 10 wrestlers place at sectionals and move on to States but Walter Ordonez and Jorge Lopez both placed at All-States with Walter Ordonez heading to New England's. Coaches Cassella, Leard and Knapp all had a strong influence on the excellence that was put on the mat with all giving great advice everyday. Although many hard working wrestlers will be leaving, the team is left in strong hands with everyone working hard in the offseason to propel the team even further next year. Definitely a memorable season. Good luck next year! Love you guys!!

A MESSAGE FROM YOUR PRINCIPAL

MR. HARDIMON

To the Class of 2014,

One of the things about your class that has impressed me the most has been your awareness of the needs of others. Clearly you have excelled in your academic pursuits and, as you reflect on your academic record, you have many achievements to be proud of. With that said, your dedication to the greater good of your school speaks equally strongly, if not more strongly, than the grades on our transcripts. As you move on to the next stages of your lives, this outstanding ability to support each other will take you farther than any memorized fact. Please continue to pursue your passions and care for those around you.

You have made Marlborough High School proud!

Mrs. Hardimon

MESSAGES

A MESSAGE FROM YOUR CLASS ADVISOR

MRS. RYDER

To The Class of 2014,

It has been an honor to serve as your class advisor these past five years. I've watched you grow into the wonderful students and people you are today. I hope your memories at Marlborough High School will stay in your hearts forever and you treasure the special moments you have had here. From eighth grade year to now, I have watched the athletes rise and succeed at a varsity level, the drama club members perform in numerous, intriguing productions, and the friendships being formed and changed throughout your high school career. The best part of being your advisor was witnessing all of the students coming together to form the class of 2014. Through dances, step-up days, spirit weeks, sporting activities, school extracurricular activities, and community service, your effort as a whole class could not have made me more proud. I have faith in each and every one of you that as you go your separate ways, you will make the most of your lives. You are bright, intelligent young adults and I look forward to seeing what life brings you and the career choices you will make.

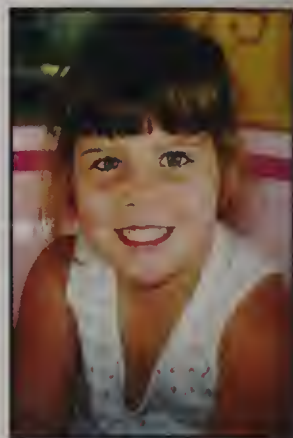

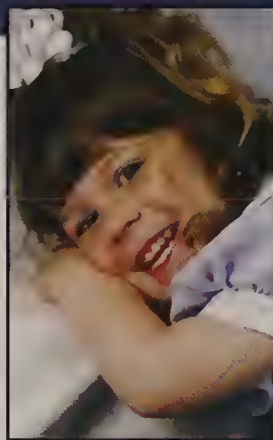

Congratulations Class of 2014, you did it!
